Getting Started

A political party is a group of people with a shared philosophy and common goals organized to influence public policy. In Oregon, political parties are formed by gathering and submitting a petition that contains the required number of signatures from active registered voters. Once formed, political parties are classified as either major or minor based on the number of voters who are registered as members of the party. Each party is able to nominate candidates for any partisan office, including federal, state, and county offices, as long as the party has been established within the electoral district and maintains ballot access.

Submitting Forms and Documents

 Any signature sheet required to be filed must be personally delivered by the chief sponsor or an authorized agent or mailed to the Elections Division.

With the exception of petition signature sheets, completed and signed forms or documents may be:

- scanned and emailed to the Elections Division at irrlistnotifier.sos@oregon.gov
- faxed to 503 373 7414
- mailed or personally delivered to 255 Capitol St NE, Ste 501, Salem, OR 97310

 The Elections Division will distribute all notifications and other correspondence by email unless otherwise notified by the chief sponsor or party officers.

Major Political Party

Qualification

ORS 248.006

A group of affiliated voters becomes a major political party and is qualified to nominate candidates at the primary election when at least 5% of the voters eligible to vote at the last general election are registered as members of the party.

Status Determination

The Elections Division will review the number of voters registered as members of each political party on the 271st day before the primary to determine if the party has satisfied the registration requirement and is qualified to nominate candidates at the next primary election.

 The Elections Division will evaluate each political party's major political party status on the 270th day before each primary election.

Organizational Documents

ORS 248.007 and 254.365

Major political parties must submit:

1 Organizational documents

 No later than the 30th day after organizational documents are adopted or amended.

2 List of party officers

 No later than the 10th day after party officers are selected or changed.

 For campaign finance reporting requirements see the [Campaign Finance Manual](#) and the [ORESTAR User's Manuals](#) available at www.oregonvotes.gov.

3 If adopted, a certified copy of party rule allowing nonaffiliated voters to vote in the party's primary

 No later than February 14, 2018, the 90th day before the primary.

Major political parties are required to file with the Elections Division current organizational documents and the party's operating statement and intent as provided for in ORS 248.012 to 248.315.

Nomination of Major Political Party Candidates

ORS 248.007

Major political parties nominate candidates for partisan office at the primary election. Candidates may file for office by submitting a declaration of candidacy and paying the filing fee or by submitting a completed nominating petition containing the required number of signatures.

For detailed instruction on filing for office, see the [State Candidate's Manual](#) available at www.oregonvotes.gov.

Designated Filer Notification

ORS 251.026 and 251.115

Major political parties may submit statements for inclusion in both the primary and the general election voters' pamphlets. These statements must be filed electronically using ORESTAR. The political party must designate a party officer to submit these statements and provide the Elections Division with the ORESTAR account user name, first and last name, and contact information for that person.

Deadline to Provide ORESTAR User Name of Designated Filer

Primary Election	February 22, 2018
General Election	August 14, 2018

For detailed instructions on political party statements in the voters' pamphlet, see the [State Voters' Pamphlet Manual](#) available at www.oregonvotes.gov.

Minor Political Party

Qualification

ORS 248.008 and 248.009

The procedures for forming a minor political party are explained in the following sections and should be reviewed thoroughly. Failure to follow the instructions completely may invalidate the petition.

Chief Sponsor

The chief sponsor is the individual responsible for the preparation and organization of the petition including:

- signing and filing a statement providing required information for the prospective petition;
- designating whether petition circulators will be paid or unpaid;
- educating and monitoring circulators;
- collecting signatures; and
- submitting signatures.

Filing a Prospective Petition

Before gathering any signatures, the chief sponsor of a minor political party formation must file a prospective petition with the Elections Division.

Forms are available online at www.oregonvotes.gov.

Chief Sponsor

1 The Chief Sponsor must specify the minor political party's name and determine circulator pay status by filing:

Form [SEL 198 Prospective Petition – Political Party Formation](#), which must be completed and signed, designating circulator pay status. Incomplete forms will be rejected.

If any information provided on form [SEL 198](#) changes, including circulator pay status, an amended form [SEL 198](#) must be filed within 10 calendar days of the change.

2 The Chief Sponsor is also encouraged to:

Authorize individuals to act on their behalf in most matters regarding the petition process by completing and filing Form [SEL 307 Agent Authorization](#).

Elections Division

After receiving the prospective political party formation petition, the **Elections Division**:

- ✓ date and time stamps the prospective petition;
- ✓ reviews the forms for completeness and correctness;
- ✓ if complete and correct, assigns the petition an identification number; and
- ✓ provides official signature sheet templates.

Official Templates

The official template is a ten line signature sheet, which specifies the name of the party being formed, circulator pay status and provides the name and address of the chief sponsor. The chief sponsor must use the official template to produce the signature sheets necessary to collect signatures.

Requested Modifications

Any modifications to official templates must be made by the Elections Division. To request modifications to official templates, the chief sponsor or an authorized agent completes and submits:

Form [SEL 323 Template Modification and Approval – Initiative, Referendum, Recall, Political Party Formation](#).

The chief sponsor may request modification of official templates at any time.

The Elections Division will review all requests made and provide modified templates if necessary. Multiple versions of official templates may be approved and in circulation simultaneously. Allowable modifications include:

- text, margin, and line spacing adjustments;
- name, mailing address, email address, and website;
- union bug, recycle button, soy ink button, or equivalent;
- less than 10 signature lines; and
- sequential numbering for internal tracking purposes.

Logos, slogans, advertisements, party affiliation, etc. or any symbol or language that may be construed as advocacy will not be permitted on the official templates.

Required Modifications

At any time after receiving approval to circulate, if the chief sponsor's address or the circulator pay status changes:

- 1 **the chief sponsor must complete and submit** an updated [SEL 198](#);
- 2 **the Elections Division will provide** updated templates; and
- 3 **the chief sponsor or an authorized agent must submit the signature sheets** prepared using the updated templates for approval.

Once new signature sheets are approved, the chief sponsor will have 30 days to remove the previous version from circulation.

Approval to Circulate

The official templates must be used to prepare signature sheets for circulation. To begin the signature sheet approval process the following must occur.

Chief Sponsor

- 1 The Chief Sponsor must request modifications of official templates, if applicable;
- 2 use the official templates to prepare signature sheets exactly as intended to circulate; and
- 3 submit an exact example of signature sheets to the Elections Division for approval to circulate.

Signature sheets may only be submitted for approval by the chief sponsor or an authorized agent.

Signature Sheets

Each signature sheet the chief sponsor uses to collect signatures is subject to the following requirements:

- be on standard 8½" x 11" size paper, or equivalent;
- have paper that is at least 20 pounds and uncoated, or equivalent; and
- be printed on white or colored paper stock.

Political party formation petitions are not subject to the requirement that signature sheets circulated by paid signature gatherers be printed on colored paper stock

Signatures collected on unapproved signature sheets will be rejected.

Elections Division

After receiving signature sheets from the chief sponsor or an authorized agent, the Elections Division:

- ✓ reviews signature sheets for compliance with petition requirements.

If signature sheets do not comply

- ✓ the Elections Division provides written notification of all required corrections.

If signature sheets do comply

- ✓ the Elections Division provides written approval to circulate the petition that includes the number of required signatures and the last day to submit signatures for verification.

Formation is:	Required Signatures:	
Statewide	1.5% of the number of votes cast statewide for governor	22,046
Less than statewide	1.5% of the number of votes cast in the district for governor	☎ Contact the Elections Division for the required number of signatures.

🕒 Signatures are due no later than 2 years after the prospective petition is filed.

Gathering Signatures

! Unapproved petition sheets and those that do not comply with legal requirements and guidelines will be rejected.

Chief Sponsor

- 1 The Chief Sponsor must review with circulators the legal requirements and guidelines for circulating the formation petition;
- 2 monitor circulator activities to ensure compliance;
- 3 obtain more than the required number of signatures to ensure the petition contains a sufficient number of valid signatures; and
- 4 submit signatures for verification.

🔍 See [Submitting Signatures](#) on page 11.

To ensure compliance with circulating requirements, the chief sponsor must educate their circulators on the guidelines for circulation and monitor their activities.

Circulator Requirements

Each circulator must:	What this means:
→ Personally witness each signature collected.	✓ Watch the person sign the petition. ⓘ It is not sufficient to merely be present in the same room or vicinity.
→ Complete the circulator certification after witnessing all signatures collected on a sheet,	✓ Sign the certification using a legal signature. ⓘ A legal signature is defined as a signature possessing obvious and predominantly matching characteristics to signatures on file from a paid circulator’s registration, signatures in the Oregon voter registration file, or the signature on an official government document. ⓘ Initials, signature stamps, illegible or printed script are not sufficient unless verified by exemplar.
→ Provide the date when the certification was signed.	✓ The date must be provided in month, day, year order if written in all numbers

! A circulator’s failure to comply with these requirements may result in the rejection of the petition signature sheets and a felony conviction for the circulator.

Circulator Prohibitions

It is against the law for circulators to:

- circulate a petition containing a false signature;
- attempt to obtain the signature of a person who is not qualified to sign the petition;
 Only active registered voters may sign a petition.
- make false statements to any person who signs the petition or requests information about it;
- offer money or anything of value to another person to sign or not sign the petition;
- sell or offer to sell signature sheets; and
- write, alter, correct, clarify, or obscure any information about the signers unless the signer initials after the changes are made.
 A circulator may assist a disabled signer who requests assistance in completing their printed name, address, and date signed.

 Violations of the circulator requirements may result in conviction of a felony with a fine of up to \$125,000 and/or a prison sentence of up to 5 years. ORS 260.715.

Signer Requirements

Each petition signer must:

- provide an original signature but is encouraged to provide their printed name, date signed, and address; and
- be an active registered voter at the time of signing the petition in the electoral district where the petition is being circulated

What this means:

- ✓ Petition signers must sign the petition using a signature contained in their voter registration record.
- ✓ Information in the voter's registration record must be up to date so they would be able to vote for candidates of the political party if formed

Signature Date

If no date is provided by the signer, the signature is only considered valid if the signer:

- ✓ was an active registered voter between the date the petition was approved to circulate and the circulator's certification date or
- ✓ originally registered to vote on or after the date the petition was approved to circulate and was an active registered voter between their original registration date and the circulator's certification date

 This standard also applies to any signer that provides a date of birth, or a date that has not yet occurred at the time of verification, instead of the date they signed the petition.

Signer Prohibitions

It is against the law for signers to:

- sign another person's name under any circumstances;
- sign a petition more than one time; or
- sign a petition when not qualified to sign it.

 Only active registered voters may sign a petition. If the signer is not registered to vote or an active voter, then the signature will be rejected unless a completed registration card is received by a designated voter registration agency or an elections filing officer before 5 pm the day the petition is signed or 11:59 pm if completed electronically online at www.oregonvotes.gov.

Certification of Signature Sheets

OAR 165-014-0270

After all signatures on a signature sheet have been collected, circulators complete the certification by signing their legal signature and providing the date when the certification was signed.

 If the circulator certification is not completed or determined to be insufficient the signature sheet will be rejected.

Prior to submission to elections officials the circulator may correct the following defects:

Circulator Signature Defects

If the circulator has:	Then the circulator should:

→ signed using a signature stamp;  Unless approved under ORS 246.025.	✓ re-sign and re-date certification with legal signature;
→ signed using an illegible signature;  Unless verified by exemplar.	✓ re-sign and re-date certification with legal signature;
→ photocopied or carbon copied the certification; or	✓ sign and re-date certification with legal signature; or

→ crossed out;	✓ re-sign and re-date or re-date and initial correction;
→ overwritten with a different date;	✓ re-sign and re-date or re-date and initial correction;
→ earlier than all petition signers;  Does not apply if the circulator and the only signer are the same person.	✓ re-sign and re-date or re-date and initial correction;
→ earlier than some, but not all petition signers;  Only those signatures dated on or before the date of the certification will be accepted.	✓ re-sign and re-date or re-date and initial correction;
→ partial or ambiguous; or	✓ re-sign and re-date or re-date and initial correction; or  Date must be provided in month, day, year order if written in all numeric characters.
→ obscured in any way by white out or other correction fluid or adhesive tape,	✓ re-sign and re-date or re-date and initial correction

The following defects in the circulator certification cannot be corrected, and any signature sheet submitted that contains one of these defects will be rejected:

Incurable Defects

→ the original signature of a circulator has been crossed out, and a different circulator's signature is inserted,
 Unless the original signature is that of an individual whose signature appears on the same signature sheet as a signer;

→ two individuals sign and date as circulator,
 Unless the only signers and the circulators are the same people; or

→ white-out or other correction fluid or adhesive tape appears on the signature line.

 Examples of circulator signature and date defects are available in the Appendix 1 Illustrated Examples in the [Circulator Training Manual](#) available at www.oregonvotes.gov.

Submitting Signatures

The chief sponsor or an authorized agent must personally deliver or mail signature sheets to the Elections Division when submitting signatures for verification. Signature sheets will not be accepted from circulators, circulator companies, or any other individual or entity if the chief sponsor or an authorized agent is not physically present.

Chief Sponsor or Authorized Agent

- 1 The Chief Sponsor or an authorized agent must ensure each signature sheet certification is signed and dated by the circulator;
- 2 sort signature sheets by circulator and separate into stacks of 200;
- 3 number each signature sheet sequentially in the space provided;
- 4 submit signature sheets containing at least 100% of required number of signatures; and
- 5 affirm the petition is complete by filing:

 Form SEL 339 Petition Submission – Initiative, Referendum, Recall, Political Party Formation marked completed.

Signature Verification

The Elections Division will only verify signatures once the chief sponsor affirms the petition is complete and if the petition signature sheets accepted for verification contain a number of unverified signatures equal to or greater than the required number of signatures.

The Elections Division processes signature sheets submitted for verification in accordance with the Statistical Sampling Procedures for Other Than State Petitions adopted under administrative rule. This includes:

- ✓ comparing the submitted signature sheets to the official templates;
- ✓ verifying sheets are numbered sequentially;
- ✓ determining if the circulator's certification is sufficient; and
- ✓ verifying original signatures using voter registration records.

After signature verification has been completed the Elections Division provides the chief sponsor:

- ✓ results of signature verification and
- ✓ final number of signatures determined to be valid.

For parties that failed to achieve ballot access, the Elections Division will provide:

- ✓ information on how to submit additional signatures if the filing deadline has not passed.

If the filing deadline has passed and the chief sponsor failed to submit enough valid signatures, the formation petition is void.

For parties that achieved ballot access, the Elections Division will provide:

- ✓ information on how and when candidate nominations must be made.

Withdrawing a Formation Petition

To withdraw the formation petition the chief sponsor must complete, sign and file:

Form SEL 375 *Withdrawal - Petition*.

- The formation petition can only be withdrawn if the chief sponsor has not submitted the total number of signatures required for verification.
- Once withdrawn, the formation petition cannot be re-activated. The chief sponsor may re-file the formation petition and begin the process again.

Campaign Finance Reporting

Oregon campaign finance law **requires each minor political party to establish a campaign account and file a Statement of Organization** designating a treasurer within **three business days** of first receiving a contribution or making an expenditure. Campaign Finance law also requires the filing of campaign finance transactions electronically.

The Secretary of State developed ORESTAR as a secure web-based electronic reporting system that committees must use to file campaign finance transactions unless the committee is eligible to file a Certificate of Limited Contributions and Expenditures.

For further detail on campaign finance reporting requirements see the [Campaign Finance Manual](#) and the [ORESTAR User's Manuals](#) available at www.oregonvotes.gov.

Organizational Documents

ORS 248.009

A political party must file with the Elections Division a copy of:

For campaign finance reporting requirements see the [Campaign Finance Manual](#) and the [ORESTAR User's Manuals](#) available at www.oregonvotes.gov.

Minor Party Maintenance

ORS 248.008

A minor political party may nominate candidates for any partisan office within the electoral district in which the party is established for the general election immediately following formation.

However, in order to nominate candidates to partisan office at subsequent general elections, the minor political party must maintain its status by achieving either of the following:

Deadline to Satisfy Requirements to Maintain Minor Political Party Status

The Elections Division will evaluate each minor political party at least monthly between May 15, 2018 and August 8, 2018, until either the party has successfully maintained its status or the deadline has passed.

Nomination of Minor Political Party Candidates

ORS 248.009 and 249.048

To nominate candidates, a minor political party must hold a nominating convention either under state law or under party by-laws. The nominating process must provide equal opportunity for all registered party members to participate in selecting nominees or selecting the delegates who will make the nominations.

Publish Notice of Nominating Convention

Once scheduled, a notice of the nominating convention must be published at least once in at least three newspapers of general circulation in the electoral district in which the minor political party seeks to nominate candidates.

The notice must contain:

- ✓ time and place of the assembly and
- ✓ office or offices for which nominations will be made.

If there are fewer than three newspapers of general circulation within the electoral district, then the minor political party must do both of the following:

- ✓ publish notice at least once in one newspaper and
- ✓ give public notice sufficient to ensure party members in the electoral district receive notice of the convention.

Deadline for Minor Political Party to Publish Notice

The notice must be published no later than the 10th day before the scheduled nominating convention.

Forms are available online at www.oregonvotes.gov.

Convening Nominating Convention

The nominating convention must be conducted according to the minor political party's organizational documents filed with the Elections Division and in effect at the time the convention is held.

Deadline for Minor Political Party to Convene Nominating Convention

A nominating convention must be held in time to file certificates of nomination with the filing officer by August 28, 2018.

After the convention has completed the nomination process, **candidates and designated party officers complete, sign, and file with the Elections Division:**

Form SEL 110 Candidate Filing – Minor Political Party with the Candidate Nomination Certificate executed by a party officer and notarized.

A major political party candidate on the primary election ballot who failed to receive the nomination may not be the candidate of any other political party or become a nonaffiliated candidate for the same office at the general election.

Minor political parties may not nominate a candidate who is the nominee of another political party at the same election in order to satisfy the one percent candidate vote total maintenance requirement.

Designated Filer Notification

ORS 251.115

Minor political parties may submit statements for inclusion in both the primary and the general election voters' pamphlets. These statements must be filed electronically using ORESTAR. The political party must designate a party officer to submit these statements and provide the Elections Division with the ORESTAR account user name, first and last name, and contact information for that person.
