### What starts the whole process?

The decision to run for a public office (even if the office is not known), accepting contributions and making expenditures, whether from personal funds, campaign funds, or another person's funds to support your candidacy.

---

### Once I become a candidate, then what?

You must register your committee with the Secretary of State not later than 3 business days of first receiving a contribution or making an expenditure if you are not exempt under the \$750 threshold law.

#### May I serve as my own treasurer?

Yes, you may serve as your own treasurer. The Campaign Finance Manual provides committees with information on candidate/treasurer responsibilities.

#### Must I have a dedicated campaign account?

Oregon law requires you to establish a dedicated campaign account if you are required to file a Statement of Organization. The account must be established in a financial institution located in Oregon that ordinarily conducts business in Oregon. One important reminder—when establishing your campaign account, the name of the committee and the name of the account must be the same.

### How do I file?

The key to complying with campaign contribution and expenditure disclosure requirements is to keep detailed records and file your transactions on time.

#### Electronic Filing

Oregon Election law requires that campaign finance transactions be filed electronically. The Secretary of State's Office provides an electronic filing system, ORESTAR, free of charge. There is a terminal located in the Election's Division office for public use.

#### What if I don't own a computer?

A Statement of Organization (SEL 220), Campaign Account Information (SEL 223) and Certificate of Limited Contributions and Expenditures (PC 7) may be filed using the paper forms. If you are not eligible to file a Certificate, contribution and expenditure transactions must be reported electronically using ORESTAR. You may want to check with your local library or other public facilities in your area to see if they provide a computer terminal for public use.

---

Generally, the deadline for filing a transaction is not later than 30 calendar days after the date of the transaction. For committees active in an election, beginning on the 42<sup>nd</sup> day before the date of the election and through the date of the election, a transaction is due not later than 7 calendar days after the date of the transaction. The campaign finance reporting requirements and additional transaction deadlines are available in the Campaign Finance Manual. Information on how to electronically file transactions is detailed in the ORESTAR User's Manual: Transaction Filing.

#### Are my campaign finance transactions public record?

Yes, after the transactions are filed in ORESTAR they are immediately available to the public by accessing the Public Search link for ORESTAR.
